Academic Framework – 2019-2020

As an aid to parents and students, Rosemount High School is providing all families with this information package that describes an Academic Framework for each of your child's courses. This is a supplement to the Standards and Procedures document that your child will receive directly from their teachers. Please refer to both documents to find information about your child's courses, their requirements, and expectations, and as a guide in ensuring your child is on track in their academic progress. Copies of both the Academic Framework and Standards & Procedures will soon be available on the school website at www.emsb.qc.ca/rosemount.

Should you have any questions or concerns, please do not hesitate to contact us at 514-376-4720 to reach your child's teacher(s).

Course Name: Geography 206
Course Number: 595203-01

Description:

The secondary II geography course begins with a review of the various terms, concepts and skills that are essential to the study of cities, countries and regions. Following this revision, students examine a short history and background of various locations around the world. This particular course will focus on the following topics: 1) The Heritage City of Quebec, 2) Forest Regions, 3) Industrial Regions, 4) Energy-Producing Regions, 5) Agricultural Territories at Risk, 6) Native Territories. For each topic, students will learn about the various environmental issues facing decision-makers and the solutions/responses to such issues in particular contexts.

Competencies to be evaluated:

1. Understands the organization of a territory
2. Interprets a territorial issue
3. Constructs his/her consciousness of global citizenship

Methods of Evaluation:

- Quizzes and Tests
- Assignments
- Homework
- Participation
- Project
- Formal Examinations
