## Academic Framework – 2019-2020

As an aid to parents and students, Rosemount High School is providing all families with this information package that describes an Academic Framework for each of your child's courses. This is a supplement to the Standards and Procedures document that your child will receive directly from their teachers. Please refer to both documents to find information about your child's courses, their requirements, and expectations, and as a guide in ensuring your child is on track in their academic progress. Copies of both the Academic Framework and Standards & Procedures will soon be available on the school website at [www.emsb.qc.ca/rosemount](http://www.emsb.qc.ca/rosemount).

Should you have any questions or concerns, please do not hesitate to contact us at 514-376-4720 to reach your child's teacher(s).

**Course Name: Mathematics Cycle 1 Year 2**

**Course Number: 563-226**

### Description:

Arithmetic
Algebra
Geometry
Probability
Statistics

### Competencies to be evaluated:

- **Solves a situational problems**
- **Uses mathematical reasoning**

### Methods of Evaluation:

- **Tests**
- **Quizzes**
- **Assignments**

# Timeline of Content

Topics covered from August 2019 to January 2020
